

We need the spec, sketch, design and all details including the yarn composition and then we make sample for clients' approval. Sometimes, we do this sampling according a given sample (original sample) from the client-end and then send them for the clients' approval.

When we receive the original sample or spec / sketch / other details, we send a sample to our buyers' for approval. After receiving the approval, we make some more samples in case of buyers' satisfaction.

If the sample quantity is a large number, then we make it as per buyers' requirements with a mutual understanding.
